

Hadassah International Medical Relief Association Australia

HIMRA Australia is part of an international network of volunteers, men and women of all faiths and nationalities, founded on the principle that advancement and cooperation in medicine and science transcend politics, religion and national boundaries.

The HIMRA mission is to

- Provide support for the Hadassah Medical Organization in Israel so that it remains an academic centre of excellence for healing, teaching and research.
- To enhance the image of Israel through the work of the Hadassah Medical Organization worldwide.
- To serve as a bridge to nations through medicine.

Hadassah Medical Organization

Hadassah Medical Organization pioneered the development of health care standards and practices in Israel.

Its main focus and its health care activities are in Jerusalem, and its heritage and emotional links are deeply rooted in the land of Israel and its people.

The Hadassah Medical Organization is also a bridge to peace. It forges links between peoples of all nationalities, races and religion who come to its doors for healing.

In this respect, the Hadassah Medical Organization is committed to excellence.

Excellence in compassionate and advanced health care consistent with humane and cost effective principles.

Excellence in research by which the frontiers of medicine are advanced and humankind benefited.

Excellence in teaching by which the future generations are assured the highest quality of care and scholarship."
